Dear Shebana,

On behalf of ECOLOGIA, I am glad to inform you that our Executive Committee has unanimously voted to adopt "The Good Manners of Colonized Subjects" as an ECOLOGIA project, to post it on the Virtual Foundation website, and to act as your fiscal sponsor.

We look forward to working together with you to spread the word about your upcoming performances of this significant work, and to managing US donors' tax-deductible contributions made to ECOLOGIA and designated for your project in a fiscally transparent and timely way.

Again, we at ECOLOGIA are proud to be able to support "The Good Manners of Colonized Subjects". I will be in contact with you, as needed, during the coming weeks and months.

Sincerely,

Carolyn Schmidt  
Program Director,  
ECOLOGIA / Virtual Foundation
